Reitschulgasse 2
Wien 1, Austria

Dear Dr. Heine Geldorn:

Here is my manuscript of my paper presented to the Americanist Congress in Wien. I do not know, but perhaps it is too late to be printed on the Congress Reports. Happens that after my arrival from Europe, I went to a field trip near the Bolivian border and I did not have time to finish the manuscript, in case that it is too late send it back by ordinary mail.

I really enjoyed immensely my trip to Europe and my stay in Wien; I am very grateful to you for your cooperation and all your kindness during my sojourn there.

I hope that you and your family has a very happy new year.

With the best wishes I am your very truly.
