Here in Cordoba, I have had the pleasure of knowing Professor Oscar Riddle of Carnegie Institution, who gave me your adressand I have taken the liberty to write you.

I am M. D. graduate the las year in Cordoba University., but I have dedicated some year to anthropology and achaeology, having published several articles and works- some of which I send you by ordinary mail.

Withim a short time -about May or June-Y hope to go to States to follow a course in anthropology at Columbia University, because I ahve get a fellowship by means of I. O.I.E.. Them I hope to visit you and know you personally.

I would like to know if in your University it will be possible for me to obtain facilities for study anthropology.

I beg you also, to send me yours reprint and speciallly your last book about South American Ethnological research(?) of which the Prof Riddle has spoĝen to me and I do not know.

Lokk forwar etc.
