Dear Miss Deane Kemp:

Really I am very greatfull to you for sending me the application blank for the field trip. It would be a solution for my problems and, I am sure, a great contribution to my studies.

I was invited some time ago, by Dr. Gordon Willey, to go to Washington to discuss some problems of our especiality, but I dropped that idea because of lack of funds; the same happened with a kind invitation from Dr. Alfred Kidder, from the Peabody Museum of Harvard.

I am returning you the filled application. Dr. Strong, chairman of our Department is sending references and also the Adviser of Foreign Students.

Sincerely yours,
